# Basic Course in Hospital Administration

**For: Physicians, dentists, nurses, medical technologists, nutritionist-dietitians, physical therapists, occupational therapists, speech pathologists, midwives, sanitarians, teachers, professors, academicians, researchers, staff personnel**

This course is designed to provide an overview of the Masters of Hospital Administration (MHA) as offered by the University of the Philippines Manila, College of Public Health.

It is intended to introduce the discipline of hospital administration to health professionals especially those who are intending of pursuing MHA in the near future. This course is designed for doctors, nurses and other health professionals who see themselves to eventually be one of the executive officers of a hospital/medical center although are presently supervisors, service heads, chief of a hospital department. This course is for doctors who are establishing or plan to establish a hospital in their communities.
