**SEAMEO TROPMED Philippines**  
 Regional Centre for Public Health, Hospital Administration,  
 Environmental and Occupational Health

# **30 July - 03 August 2018**

# **ICD-10 Training Course**

# **for Coders (Batch 2)**

**For: Physicians, nurses, medical technologists, nutritionist-dietitians, teachers, professors, academicians, staff personnel**

Through this course, participants learn the steps in using the World Health Organization's ICD-10 as a coding tool. The course covers 26 modules, including the definition of ICD-10, benefits derived from its usage, history of its development, its elements and structures, the general guidelines for coding, and specific instructions for coding morbidity and mortality data.
